OF THE

ILLINOIS STATE LIBRARY.

1894.

Commissioners Illinois State Library.

JOHN P. ALTGELD, GOVERNOR.

WILLIAM H. HINRICHSEN, SECRETARY OF STATE.

HENRY RAAB, SUP'T OF PUBLIC INSTRUCTION.

WILLIAM H. HINRICHSEN,
SECRETARY OF STATE AND *ex-officio* STATE LIBRARIAN.

INTRODUCTION.

This Catalogue of the Illinois State Library is the first printed since 1880, and will, I think, be found fairly accurate. The work of preparing the copy for the printer has occupied nearly a year, and the greatest care has been taken to avoid errors.

The library contains thirty thousand volumes, besides ten or twelve thousand duplicates of State and national publications.

The arrangement of this catalogue is that in general use—the dictionary system. Each book is entered under its author, title and subject, and the whole arranged in one alphabetical series. The exceptions to this system are all anonymous books and those having arbitrary titles which do not admit of being placed under subjects.

Pseudonymous works are entered under the author's name, when known, with a cross reference from the pseudonym; and under the pseudonym when the real name has not been ascertained.

Books should be looked for under the first word of the title, under the author's name, or under the subject.

State documents will be found under the heading of the State. U. S. publications will be headed as such.

No books are entered under names of translators.

A few entries have been made of important articles from books which appear under other titles. This has necessitated a few abbreviations, to which the following list furnishes a key:

Pacific R. R. R.	Pacific Railroad Route Reports.
Pam.....	Pamphlet.
Paris Expos. Rep.....	Paris Exposition Report.
Smith. Cont.....	Smithsonian Contributions to Knowledge.
Smith. M. C.	Smithsonian Miscellaneous Collections.
Smith. R.	Smithsonian Report.
Sparks.....	Sparks' Library of American Biography.
U. S. Explor. Exped.....	U. S. Exploring Expedition, under Wilkes.
Vienna Expos. Rep.....	Vienna Exposition Report.

Further abbreviations found in the lists refer to sets or series of books which have an individual title under which they are

catalogued, and such references will enable the Librarian and assistants to find the books more readily. They are:

Am. Rel. Leaders.....	American Religious Leaders.
Con. Sci. Ser.	Contemporary Science Series.
E. M. L.....	English Men of Letters.
Gt. Writers Ser.....	Great Writers Series.
Inter. Ed. Ser.....	International Educational Series.
Inter. Sci. Ser.....	International Scientific Series.
Ser. R. I.....	Rhode Island Historical Series.

W. H. HINRICHSEN,

Secretary of State and ex-officio State Librarian.

RULES

OF THE

ILLINOIS STATE LIBRARY.

The Library will be open during the business hours observed in the public offices in the State House. During the session of the General Assembly, the Library will also be open in the evening from 7:30 to 9:30.

Books may be taken from the State Library by the members of the General Assembly and its officers, during the session of the Legislature, and at any time by the Governor and the officers of the Executive Department of this State who are required to keep their offices at the seat of government, and the Justices of the Supreme and Appellate Courts.

No person shall be allowed to take any books or property from the Library without executing a receipt therefor, nor to take or detain from the Library more than two volumes of miscellaneous works at any one time.

Works of reference are not to be taken out of the Library.

No miscellaneous work shall be detained more than two weeks. All Laws, Journals, etc., taken by members of the Legislature shall be returned at the close of the session.

If any person injures or fails to return any book taken from the Library within the time above mentioned, HE SHALL FORFEIT AND PAY TO THE LIBRARIAN, for the benefit of the Library, THREE TIMES THE VALUE THEREOF, or of the set to which it belongs.

Any person not above mentioned who takes books or other articles from the State Library without the consent of the Librarian, will be prosecuted for larceny.

Any person taking books from the State Library without reporting the same to the Librarian or Assistant, and causing the same to be properly charged upon the register, will be prosecuted to the extent of the law.

No entry of charge or return of books will be permitted to be made except by the Librarian or Assistant.

Persons using books of the Library will return the same to the Librarian or Assistant.

No person will be admitted to the alcoves.

W. H. HINRICHSSEN,
